(2) *Questioned items.* Items questioned as a result of an audit under the Single Audit Act of 1984 of a cross-cutting nature will be resolved by the Department of Health and Human Services, Office of Grant and Contract Financial Management. A cross-cutting issue is one that involves more than one Federal awarding agency. Questioned items affecting only the disability program will be resolved by SSA in accord with paragraph (b)(2) of this section.

(3) *State appeal of audit determinations.* The Office of Grant and Contract Financial Management will notify the State of its determination on questioned cross-cutting items. If the State disagrees with that determination, it may appeal in writing within 60 days of receiving the determination. State appeals of a cross-cutting issue as a result of an audit under the Single Audit Act of 1984 will be made to the Department of Health and Human Services' Departmental Appeals Board. The rules for hearings and appeals are provided in 45 CFR part 16.

(b) *Audits performed by the Commissioner*—(1) *Generally.* If the State does not perform an audit under the Single Audit Act of 1984 or the audit performed is not satisfactory for disability program purposes, the books of account and records in the State pertaining to the administration of the disability programs under the Act will be audited by the SSA's Inspector General or audited or reviewed by SSA as appropriate. These audits or reviews will be conducted to determine whether the expenditures were made for the intended purposes and in amounts necessary for the proper and efficient administration of the disability programs. Audits or reviews will also be made to inspect the work and activities required by the regulations to ensure compliance with pertinent Federal statutes and regulations. The State will make every effort to act upon and

resolve any items questioned in an audit or review.

(2) *Questioned items.* Expenditures of State agencies will be audited or reviewed, as appropriate, on the basis of cost principles and written guidelines in effect at the time the expenditures were made or incurred. Both the State and the State agency will be informed and given a full explanation of any items questioned. They will be given reasonable time to explain items questioned. Any explanation furnished by the State or State agency will be given full consideration before a final determination is made on the audit or review report.

(3) *State appeal of audit determinations.* The appropriate Social Security Administration Regional Commissioner will notify the State of his or her determination on the audit or review report. If the State disagrees with that determination, the State may request reconsideration in writing within 60 days of the date of the Regional Commissioner's notice of the determination. The written request may be made, through the Associate Commissioner, Office of Disability, to the Commissioner of Social Security, Room 900, Altmeyer Building, 6401 Security Boulevard, Baltimore, MD 21235. The Commissioner will make a determination and notify the State of the decision in writing no later than 90 days from the date the Social Security Administration receives the State's appeal and all supporting documents. The decision by the Commissioner on other than monetary disallowances will be final and binding upon the State. The decision by the Commissioner on monetary disallowances will be final and binding upon the State unless the State appeals the decision in writing to the Department of Health and Human Services' Departmental Appeals Board within 30 days after receiving the Commissioner's decision. See §416.1083.
